

SPEAKER'S PROFILE

- **Professor, Tohoku University**
 - Advanced Institute for Materials Research (AIMR)
 - Institute of Multidisciplinary Research for Advanced Materials (IMRAM)
 - New Industry Creation Hatchery Center (NICHe)
- **Inventor: Supercritical hydrothermal synthesis method**
- **CTO of Super Nano Design Co., Ltd**
- **Speciality: Supercritical water reaction**
- **Received awards from MEXT, the Society of Chemical Engineers and the Japan Chemical Society**
- **2019: Awarded the Medal with Purple Ribbon from the Cabinet Office, Government of Japan**
- **1986: Doctor of Engineering, University of Tokyo**

Prof. Dr. Tadafumi Adschiri

Tohoku University
AIMR, IMRAM, NICHe
Honorary Doctor
University of Bordeaux, France
